Subscriptions, renewals, requests for single or back numbers, and all remittances should be sent to Subscription Office, Research Journals, National Research Council of Canada, Ottawa, Ontario, Canada K1A 0R6. Remittances should be made payable to the Receiver General for Canada, credit National Research Council of Canada. Telephone enquiries: Helen Goulet 613-993-9084.

Subscriptions are entered for the calendar year. There are no refunds on cancelled subscriptions once delivery has begun.

Change of address - Send change of address information (complete old address, customer code, and new address) to Subscription Office, Research Journals, National Research Council of Canada, Ottawa, Ontario, Canada K1A 0R6.

Claims for missing numbers should be made within four months (North America) or six months (outside North America) following the date of publication. The publisher expects to supply missing numbers only when losses have been sustained in transit and when the reserve stock will permit.

Abonnements - Pour toutes les questions d'abonnements, paiements, demandes de vieux numéros de la revue, etc., on doit s'adresser au Bureau d'abonnements, Revues scientifiques, Conseil national de recherches du Canada, Ottawa (Ontario), Canada K1A 0R6. Les chèques et mandats seront formulés à l'ordre du Receveur général du Canada, au crédit du Conseil national de recherches du Canada. Renseignements : Helen Goulet 613-993-9084.

La durée des abonnements correspond à l'année civile. Les abonnements annulés ne pourront être remboursés une fois que le premier numéro sera envoyé.

Changement d'adresse - Faire parvenir tous renseignements (ancienne adresse, code du client et nouvelle adresse) au Bureau d'abonnements, Revues scientifiques, Conseil national de recherches du Canada, Ottawa (Ontario), Canada K1A 0R6.

Les réclamations de numéros manquants doivent être adressées dans les quatre mois (en Amérique du Nord) ou les six mois (à l'étranger) suivant la date de publication. L'éditeur s'engage à remplacer les numéros manquants seulement lorsque les pertes ont été subies en transit et lorsque ses réserves le permettent.
